

## Meet The Owners

My wife and I are not just the new owners of Black Bear Lodge, we are long time guests as well. For the past 25 summers, Jillian and I have made more than 30 separate trips up to Black Bear Lodge, including our honeymoon in 2004. We took over the camp in the summer of 2006 and have now made Red Lake, Ontario our summer home.

Jillian and I were born and raised in the Northwest suburbs of Chicago, but have since moved to Kalamazoo, Michigan, where we spend the winters fulfilling our other passion; working with children. Jillian is a tutor, a nanny, and coaches equestrian vaulting (gymnastics on a moving horse), while I am a full time gymnastics coach. We are definitely living our dream(s) and we feel truly blessed.

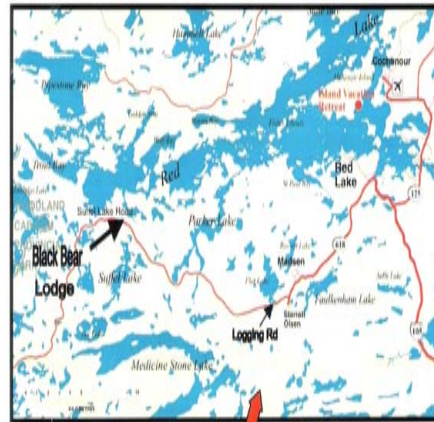

As the owners of Black Bear Lodge, our aim is to preserve the history and traditions of the camp as they have been for over 50 years - with its breath taking scenery, abundant wildlife, and exceptional fishing and hunting. Black Bear Lodge has become a special place for many people from across the Nation. It is our commitment to continue to offer a true wilderness experience for all of our guests.
